Baraja AMPHITHEATER®

"Per Aspera Ad Astra"

Is the motto of Cirebon City in the past, Baraja Amphitheater is a symbol of the belief that no dream is too high as long as there is a determination to start. Progress is not two of four instant gifts, but rather the accumulation of perseverance and belief.

Here, Baraja Amphitheater is a destination for anyone who dares to dream—farmers, artists, youth, friends with disabilities, and even women. All voices have the right to be heard.

Baraja Coffee

INDONESIA

Baraja Coffee is one of the oldest Coffee Shop Companies in Cirebon which has a long history tied closely to food traditions around the Red Sea.

The earliest credible evidence of coffee drinking as the modern beverage appears in modern-day Yemen in southern Arabia in the middle of the 15th century in Sufi shrines, where coffee seeds were First roasted and brewed in a manner similiar to how it is now prepared for drinking.
